

IN THE SPECIFICATION:

The specification as amended below with replacement paragraphs shows added text with underlining and deleted text with ~~striketrough~~.

Please REPLACE the paragraph [0044] with the following paragraph:

[0044] The high voltage source 190 has a reference voltage unit 190a supplying only one voltage of certain level (hereinafter, "reference voltage") to the voltage switching unit 195'. Accordingly, a number of contact points of a wiring harness is reduced from the conventional voltage supply apparatus of FIG. 3 by 2 contact points.
